Meet the Teacher-

Mr Tatham

PPA: Monday PM
FS: Wednesday PM

Autumn term

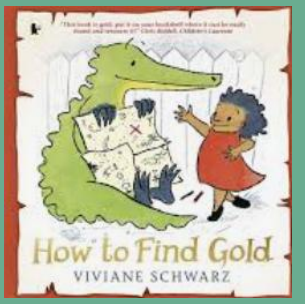

In English, our class text is How to Find Gold.

In Book Look, our texts are the Paddington stories.

In Maths, we are looking at the Place Value, particularly of two-digit numbers.

In Science, our topic is Animals Including Humans. We will be looking at how to keep clean and healthy and what foods make a balanced diet.

In History, we will be looking at Rosa Parks.

Routines

Please bring in reading books and spellings on a Wednesday, ready to change on the Friday

Spelling tests will be on a Wednesday.

Fruit is provided for snack.

Please name water bottles and school uniform

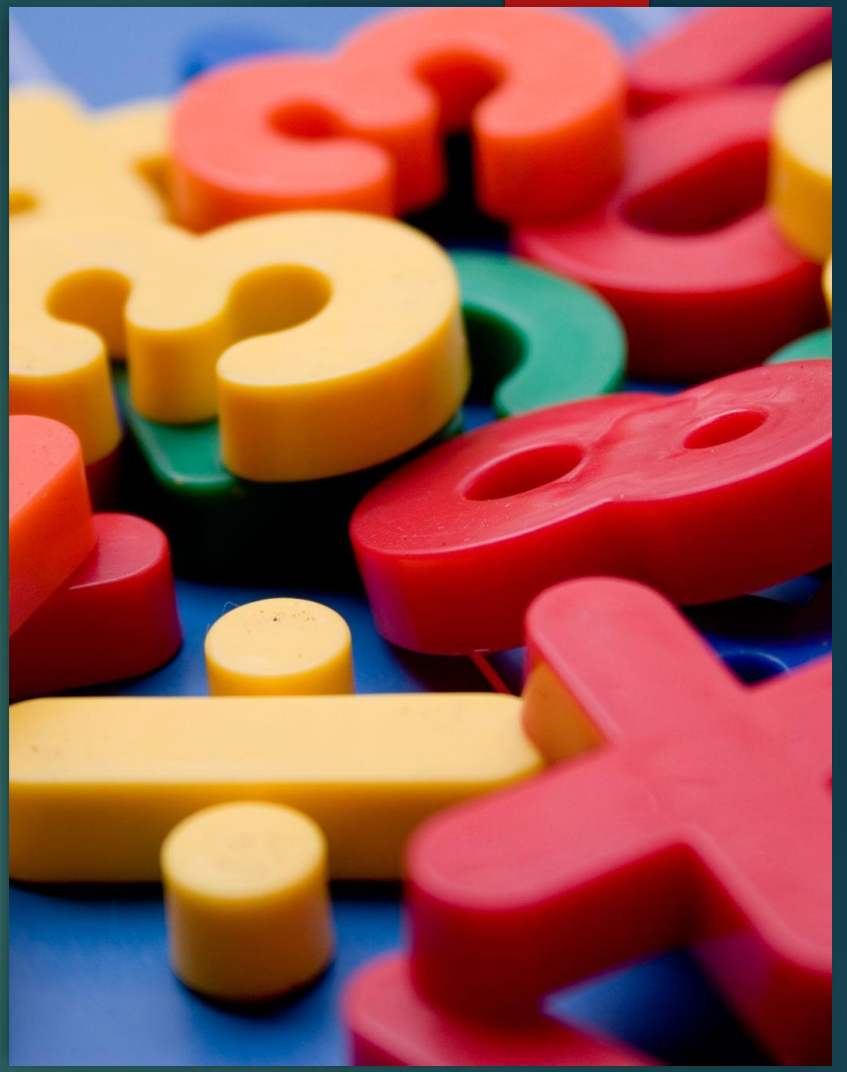

PE will be on a Monday and a Friday

Reading and spelling

- Children will have an opportunity to read aloud in class daily through our daily reading lessons.
- Strategies that the children learnt in Year 1 to decode and blend, will continue into Year 2 with an increased focus on pace and fluency.
- In our ELS spelling sessions, the children will continue to be exposed to all the spelling alternatives and the complexities of the English language.
- The aim for the children in Year 2 is to build up reading miles to build pace and fluency.

Maths
Key focuses this year

- Read and write numbers to 100 in both numerals and words.
- Partition, add and subtract two digit numbers.
- 2,5 and 10 times tables and the associated division facts.
- Count in 3s.
- Recognise ½, ¼, ⅓, ¾ of quantities, shapes and number
- Recognise and name 2D and 3D shapes and their properties.
- Read and interpret graphs and charts.
- Recognise pounds and pence and make the same amount of money in different ways.

Homework

- Reading
- Spellings - These are specifically matched to the spelling/ Phonic focuses for the week.
- Half termly homework grid
- TTRS

Learning Adventure Theme	Calculate or Reason	Write	Discuss	Create	Teach	Visit	Investigate	Watch or Listen	Brain Wave
Who was Rosa Parks and what did she do for the world?  English key text: How to find Gold  	Think about the number 45. Say this number aloud. What times table is this number in? Is it odd or even? What does the digit '4' represent? What does the digit '5' represent? Can you add and subtract 10 from this number? What do you notice when you count forwards and backwards in 10s from this number?	Can you write a fact file about Rosa Parks using the information you have learnt in History so far? Can you include facts about her early life and the day she refused to give up her seat on the bus? ***CHALLENGE!*** Can you find and include any new facts about Rosa Parks that people may not know yet?	What impact did Rosa Parks have on changing the lives of black people in America? ***CHALLENGE!*** What other individuals campaigned for the fair treatment of black people in America?	 Can you create your own treasure chest? ***CHALLENGE!*** Can you create a treasure map to accompany your treasure chest? Don't forget to include an x where your treasure is going to be buried.	Teach your family about how black people were treated in 1950s America? How were they treated differently to white people? This could include what the term segregation means.	Visit the National History museum in London. What objects from the past did you find? ***CHALLENGE!*** Can you write or draw an inventory of what you found?	Have you or anyone in your family found or inherited something rare or precious? Can you draw or take a photo of your rare find or bring it into school to show?	Watch the original version of 'treasure Island" ***CHALLENGE!*** Can you think of your own 3 word review for the film.
