

Applications for Nursery to St. Paul's CE VA Primary School, Chipperfield

Schools in Hertfordshire are now responsible for the admissions of children to Nursery in 2019-20 and onwards.

The Dacorum schools are working together to ensure the process is the same in each school and that parents receive consistent information that will enable them to make informed decisions about their preferred nursery school.

The timeline for the nursery admissions process is published below and further information regarding the open mornings and the procedure for applying is also outlined below.
