

ST PAUL'S NEWS

Newsletter 25 - 03.07.26

A note from Mr Varney:

Hello everyone,

With only two and a bit weeks left to go, we are busier than ever and whilst each day is particularly full at the minute, the children are getting to engage with a wide range of enrichment activities that will create memories to hopefully last a life time.

One of these activities took place last week as Year 1 - Year 5 spent the day at Phasels Wood completing different outdoor and adventurous activities. Despite the hot weather, the children had a fantastic day and got to challenge themselves in a range of different tasks including Crester Run, high ropes, shelter building and tunneling. The day was finished with Year 4 and Year 5 staying the night and camping outside. The whole day and night was an incredible experience for all children and as I have come to expect, the children's behaviour and attitudes were fantastic!

Yesterday, I had the pleasure of watching our second Musical Showcase Month show with The Dan Tien. All children that took part did an amazing job and have clearly been working hard with their music teachers this year to practice and prepare to perform. As I discussed after the performance yesterday, I am so appreciative and thankful that so many parents are enabling their children to engage in musical tuition and the arts. I am also incredibly thankful to Amy, Miriam and the Dan Tien team for helping to support our musical enrichment - we look forward to our continued work together.

As we come into our busiest weeks, this will be our last official newsletter of the year. I will be writing before we finish with a round up of our year and to let you know how our children have performed in their statutory tests. I will be looking forward to bringing a refreshed newsletter when we return in September.

Have a great weekend!

TOWARDS SUPPORTING
REPLACING OUR PLAYGROUND
EQUIPMENT.

St Paul's PTA

Our Fundraising Project

Each year, our PTA do an amazing job at raising vital funds to help us improve our school. We are now working hard to raise money for our next big project - renovating our playground ...

This is our target for the end of this year.

We are currently at £22,000.

£3500 raised in the Autumn Term!
