Dear Parents,

This is a list of all the exciting clubs available to your children for the Autumn Term 2026. School-run clubs will start week beginning: 7th September. Clubs are a great way for children to learn new skills, apply skills to games and develop socially. Numbers at the clubs are limited due to equipment, resources and ratios of staff: pupils so the best can be got out of the pupils attending; therefore, if your child is keen to attend, you will need to sign up quickly to avoid disappointment.

We expect all children attending these clubs to follow the school behaviour policy and show commitment. A consequence of not following the behaviour policy is that your child will be asked not to attend the following sessions. It is important that staff running the clubs know if there is an unavoidable reason why a child cannot attend a session.

The clubs available are:

	Lunchtime **12.00-12.30/ 12.30-1.00**	**After School** **3.15-4.15**

School Run Club Information:

Netball Club
Children will practise drills to help them learn the basics of netball. They will play games (both Hi-5 and 7 aside), learning tactics and improving skills. There will hopefully be the opportunity to be selected for a 7 aside league girls' team, mixed friendlies and there may be separate squad training at another time.

Cross Country Club
This fun club will take place at lunchtimes. Children will work to improve their fitness and stamina through repeating a similar run each week, focusing on beating personal bests. They will also play some running games. Most sessions will take place on Chipperfield Common and in the Chipperfield woods. Children should bring spare footwear for this session as their shoes could get muddy (such as trainers, studded boots or spikes). There will hopefully be an opportunity for some to take part in district and county events. *(Depending on numbers, we may need to split the club in two but will let you know asap.)*

Football Club
These weekly sessions will help to develop skill, strategy and teamwork. A girls' and mixed Year 5/6 team will be created and trained within this time to represent us in the DSSN league and tournaments.
