September 2025

Dear Parents

We are delighted to be providing Year 6 with their CGP SATS revision books next week. These books are an important part of our preparation to help your child reach their full potential in their SATS next year.

In order to continue to provide these resources we ask for a voluntary donation of £18.50, which is payable through Arbor.

While our request is for a voluntary donation, by making this payment it ensures the school has funds to continue providing subsidised opportunities for your children.

Many thanks

School Office
